ENDURANCE

LICENCE

WHAT DOES THE SUPERCARS ENDURANCE LICENCE (SEL) ALLOW YOU TO DO?

JOIN US

Enter the championship in the GT4 Pro and GT4 Bronze divisions.

Gain the prestige of being recognised as one of the Supercars Endurance teams.

DO BUSINESS

Sell, rent, or transfer the licence to another team.

CONDITIONS

No team can hold more than 3 SEL licences.

You lose your SEL licence if you do not participate in at least 5 races per season, with ownership of the SEL returning to the Promoter.

HOW TO SECURE YOUR SEL?

PHASE 1

In the first year (2025), each selected Team will receive their SEL free of charge if the full season entry fee is paid by 15 January 2025. If not paid, the entry will revert to the promoter.

PHASE 2

The SEL licence is valid for three years and is automatically renewed during that period when the full season entry fee is paid.

“ 1 Sec. Rule ”

Drivers with a temporary categorization derogation incur extra ballast if less than **1 second** than the best theoretical lap in qualifying or races.
